I'm a passionate design leader with a track record of shifting design cultures and building empowered teams.

My holistic viewpoint is guided by 20+ years of experience leading design and research for product, brand, marketing, and growth organizations. The cross-functional teams I lead are customer oriented, data driven, and inspired to create value.

Experience

Hired, Head of Design

2018–2020

- Led the design efforts for the first phases of Hired's marketplace strategy, resulting in products that took in 25% of revenue within the first year.
- Increased the impact of design through HCD processes, design thinking, and research-driven development; setting a high quality bar across marketing and product surfaces.
- Created the framework for designing and extending Hired's design language, building a system that brought efficiency to the entire development process.

TripAdvisor, Director of Design

2016–2018

- Guided the transition of the designers, marketers, researchers, and coders into an agile environment, effectively developing practices that delivered rigor, velocity, and quality.
- Strategized across executives to plan and execute a unified direction for B2B, B2B2C, and B2C customers.
- Drove the design and research-driven prioritizations to merge five front-end platforms, resulting in a higher-converting product while lowering tech debt.

Udemy, Director of Design

2014–2016

- Defined the discipline of design for the company, including key principles, methods, and practices.
- Instituted processes for collaboration and knowledge sharing across organization levels, creating an environment of transparency and growth.
- Established the styles, patterns, and brand elements for brand and product, creating guidelines that enabled quality production at speed.

Design Director, Yahoo Communications

2013–2014

- Led the large scale, front-end redesign of Mail and Calendar for an audience of 300 million customers.
- Transformed the team's culture, tools, and the working models, increasing performance, hiring, and expanding the portfolio for the group.
- Strengthened the cross-discipline team via models that inspired deep thinking, ideation, efficiency, and strategic alignment.
- Worked across the Yahoo network to define hiring practices, charters, and review criteria to raise the quality of design.

Design Director, Yahoo Commerce

2010–2013

- Led the development of lead-generation opportunities by focusing on meaningful values, increasing page views and time spent over 40% across the portfolio of products.
- Built a multi-disciplinary team of eight teammates within four months; expanded portfolio to take on additional business lines.
- Reimagined the commerce portfolio, producing a forward-looking vision that informed the organization's strategy.
